Ringling Bros. and Barnum & Bailey is roaring into town with Barnum's FUNundrum, a celebration of P. T. Barnum so big, it is an event 200 years in the making! Hop aboard and go on an unbelievable excursion that brings together performers and characters from exotic countries all over the world - even from places for which there are no geographic borders. From the moment that you arrive, the momentum explodes as The Greatest Show On Earth comes to life in a way that can only be inspired by the greatest showman who ever lived. Thrill-seekers may pay for the entire seat, but will only need its edge as a rip-roaring motorcycle troupe performs an incredible feat where seven motorcyclists brave fear and physics in the 16-foot Spherical Miracle. Height-seeking high-wire artists perform atop a wire no wider than your thumb 40 feet in the air, all while at a 45 degree angle. Masters of Musculature use their bodies in the ultimate test to see how far the human body can be pushed in a mind-blowing world of distortion and contortion. Just as the Ringling Bros. train keeps traveling from city to city, Barnum's FUNundrum keeps the energy going with electrifying aerialists, daring acrobatic artists on a two-tiered trapeze and teeter-tottering troupes catapulting high above the arena floor. Each extraordinary act blends thrills and contemporary spectacle to over deliver a heart-racing experience that, until now, was beyond imagination! And what would Ringling Bros. and Barnum & Bailey be without the funomenal animals leading the way? Barnum's FUNundrum features fangtastic tigers, esteemed elephants, prancing ponies, horses and goats that authenticate the affinity between animals and humans.
