

## ALL FACILITY AND JAMES W. ROE MEMORIAL POOL – 2010

We would like to welcome everybody back to our Family Aquatic Center that opened to our residents in 2006. This facility offers a zero depth entrance that is child and handicapped friendly; a separate tot pool; a flume slide and drop slide; a diving board; a dedicated swim lane; and an interactive water play area. This Award-Winning facility has been very well received by our members and we have continued to implement suggestions made by our members to help further improve the daily operation of the site. **To that end we installed 4 new large umbrellas to provide additional shade on the pool deck and a new portable extra wide staircase next to the lap lane to allow for easier access to this area. These improvements were made prior to opening last year.**

**The swim facilities will open Saturday, May 29<sup>th</sup> and close Monday, September 6<sup>th</sup>.**

The photo I.D. system installed in 2006 allowed us to better identify our patrons and keep our facilities for members only. This system will continue in use in 2010. **Photo ID's issued in 2009 will be validated for 2010 upon payment of fees; new badges will not be mailed.**

If you were a member last year you only need to send in a photocopy of your valid driver's license and a copy of a current electric, telephone bill or similar to re-register. If you need to have your photos updated you will need to come in or send new **current** photos and your old ID's. You must fill out all information on the registration form every year (form enclosed).

If you were not a member last year you will need to come to Town Hall with all your family members to have your pictures taken, **or** you can send a **current color photo (no hats or sunglasses)** for each individual in your family (**no family photos**) to the Recreation Department. Proof of residence for all families (copy of driver's license, **plus** a copy of a current electric or telephone bill or similar), and copies of birth certificates for all children (regardless of age) will be required. We realize that getting everyone together to have their pictures taken will be somewhat of a challenge for some families, but it is a step we need to take to better oversee membership. To help accommodate you and make the process a little easier, we will be available on several evenings so that you can come to the Municipal Building with all family members to have your pictures taken. Remember to bring copies of your children's birth certificates and all other required information with you. Of course, you may also come to the Recreation Department anytime Monday-Friday with your entire family from 8:30 a.m. - 4:00 p.m. to get your pictures and ID's or you can send in current photos to avoid having to come into the office for picture taking. **We are also open every Tuesday evening until 7:00 p.m. and can process your registration.**

**We are pleased to announce that the Brownstone will be running the concession again this year.**

Guest cards will again be available this year; they can only be purchased at the Recreation Department. Guest cards can be used the same as guest books were and are available as a four punch card, six punch card and 10 punch card. Each card will be valid for this season and for two additional seasons as long as you continue your membership. Each time you bring a guest to the facility the card will be swiped (or punched). When you reach your limit (4, 6 or 10 guests) the card will no longer be valid. Members will only be allowed to purchase a total of 20 guest passes this year. **Guests are not permitted on holiday weekends (Memorial Day and Labor Day – Saturday, Sunday and Monday and July 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup>).**

Please be sure to fill out the enclosed forms completely and mail them in with your photos and other required documents or bring them with you when you come in to register. **Please read enclosed literature carefully for registration requirements. The enclosed form can be used to register for the Pool or All Facility membership. Please fill out the proper section.**

**Special evening registration dates in the Recreation Department:**

**Tuesdays, May 4<sup>th</sup>, May 11<sup>th</sup> and May 18<sup>th</sup> - 4:30-7:30 p.m.**

Although we will process registration and take photos as quickly as possible on these evenings you may experience some delays.

**NOTE: Kilroy will open weekends and holidays only until Wednesday, June 23<sup>rd</sup>. Both facilities will close on Monday, Sept. 6<sup>th</sup>.**
