

## 2010 SWIM PROGRAM – KILROY PARK

The Department of Parks & Recreation would like to welcome everyone back to Kilroy Park for our 2010 Season. **Kilroy will open weekends and holidays only until Wednesday June 23rd.** It will not be open Monday-Friday until that time. Kilroy members may use the pool with their membership badges Monday-Friday in June when Kilroy is closed (guest passes will not be honored).

**Kilroy opens Saturday May 29th and closes Monday September 6th.**

As part of our facility upgrades we instituted a photo I.D. system for memberships at Kilroy Park in 2007. This system has allowed us to better identify our patrons and keep our facility for members only. The transferring of badges to non-residents or non members has always been a complaint of our paying members. This system will continue in use in 2010. **Photo ID's issued in 2009 will be validated for 2010 upon payment of fees. New badges will not be sent.**

If you were a member last year you only need to send in a photocopy of your valid driver's license and a copy of a current electric, telephone bill or similar to re-register. If you need to have your photos updated you will need to come in or send new **current** photos along with your old ID's. **You must fill out all information on the registration form every year (form enclosed).**

If you were not a member last year you will need to come to Town Hall with all your family members to have your pictures taken, **or** you can send a **current color photo (no hats or sunglasses)** for each individual in your family (**no family photos**) to the Recreation Department. Proof of residence for all families (copy of driver's license, **plus** a copy of a current electric or telephone bill or similar), and copies of birth certificates for all children (regardless of age) will be required. We realize that getting everyone together to have their pictures taken will be somewhat of a challenge for some families, but it is a step we need to take to better oversee membership. To help accommodate you and make the process a little easier, we will be available on several evenings so that you can come to the Municipal Building with all family members to have your pictures taken. Remember to bring copies of your children's birth certificates and all other required information with you. Of course, you may also come to the Recreation Department anytime Monday-Friday with your entire family from 8:30 a.m. - 4:00 p.m. to get your pictures and ID's or you can send in current photos to avoid having to come into the office for picture taking. **We are also open every Tuesday evening until 7:00 p.m. and can process your registration.**

Guest cards are available for members only and can be purchased at the Department of Parks & Recreation. Cards will be used the same as guest books and will be available as a four, six or ten guest card. A four guest card will allow you to take four guests and a six guest card will allow you to take six guests and so on. Prices will be \$20.00 for a four guest card, \$30.00 for a six guest card and \$45.00 for a ten guest card. When you reach your limit (4, 6 or 10 guests) the card will no longer be valid. Guest cards are valid for the season purchased and two additional seasons after purchase only as long as membership is continued.

Please be sure to fill out the enclosed form completely and correctly before mailing it in with your photos and other required documents or bring them with you when you come in to register. Please read the enclosed literature carefully for registration requirements. Forms are enclosed for your convenience.

**Evening registration dates:** Tuesdays: May 4<sup>th</sup>, May 11<sup>th</sup> and May 18<sup>th</sup>  
Time: 4:30 p.m. to 7:30 p.m.

Note: Although we process registrations and take photos as quickly as possible you may experience some delays on those evenings. **We are also open every Tuesday evening until 7:00 p.m. and can process your registration.**

THERE WILL BE A \$20.00 CHARGE FOR ANY CHECKS BEING RETURNED FOR INSUFFICIENT FUNDS. **Guest passes purchased this year are non-refundable and are valid for the season purchased and two additional seasons after purchase only as long as membership is continued.**
