

*Wayne Health Department
Offers
Children's Dental Clinic
Fee: \$10*

This clinic is open to Wayne Township residents between the ages of 5-19 who do not have dental insurance. The clinics are held every Wednesday from 8:30 a.m. to 12:30 p.m. during the school year by appointments only. The dental clinic provides dental prophylaxis and dental treatments, which include cleanings, fluoride treatments, fillings, sealants and extractions. A dentist performs all cleanings and treatments.
