

HOW TO ACCESS AND VIEW WAYNE TOWNSHIP'S ONLINE TAX MAPS

The Tax Assessment Maps for the Township of Wayne were prepared under the jurisdiction of the State of New Jersey, Department of the Treasury, Bureau of Taxation for the primary use of the tax assessor for the purpose of property tax assessment (NJAC 18:23A1.1). In 1988 a standardized system was adopted that allows a user to more readily locate the individual map sheet containing a parcel of land if the Block and Lot number are known.

FOR BLOCKS 100 to 999

1. The first digit of the Block Number of the property you wish to find indicates the page series where the property is illustrated.
2. For instance, let's say that you are looking for Block 922, Lot 1. You would first open the file WT009_00.pdf to view Tax Sheet Number 9. This example will be used for the following steps:
3. First, find Block 922 (large numbers contained within a circle). On this sheet you will notice that individual lots are not shown and that there is a line of text referring you to "SEE SHEET NO. 9.03".
4. The next step is to return to the list of files in your web browser and open WT009_03.pdf to view Tax Sheet Number 9.03.
5. Block 922 is at the lower left side of the sheet. You are then able to find Lot 1 at the upper right hand corner of the block.

FOR BLOCKS 1000 to 4702

1. The same method is used for Blocks 1000 to 4702 as above, except that the sheet number is designated by the first two digits of the Block Number.
2. For instance, to find Block 1201, Lot 1 you would open the file WT012_00.pdf in order to view Tax Sheet 12.
3. Block 1201 would be found at the lower right hand corner of the sheet and Lot 1 would be located at the lower right hand corner of Block 1201.
